

Funding: the way forward

Cambridge

27/03/2009

Observations

- Hunger for collaboration and Innovation
- Hunger for information on Funding

Post its

- Partners: how to identify them
- Funding
 - Matrix development
 - Which funds available?
 - Learn from past applications
- Research
 - Funds for evaluation
 - Prove effectiveness of probation
 - Evaluation of innovative projects, e.g. peer mentoring
- Special groups:
 - Minority background
 - Learning difficulties
 - Mental health problems

Way forward: members

- Jurisdictions should act and try out (learning by doing)
- Take risks

Way forward: CEP Website

- Publication Report and Presentations
- Information on funding programs
- Publish call for proposals
- Member section: message board
 - recruitment of partners
 - best practices in applying

Way forward: Actions CEP

- Working group: what funding possibilities are suitable for CEP and its members?
 - Operating/action grants
 - Monopoly status
 - Leading organisation or partner
 - Funding/ projects liaising officer and how to be financed
 - Cooperation with other networks
- Try out with FD
 - funding a conference
 - applying for a project

Any Suggestions?
