The Estonian Probation System was established on 1 May 1998

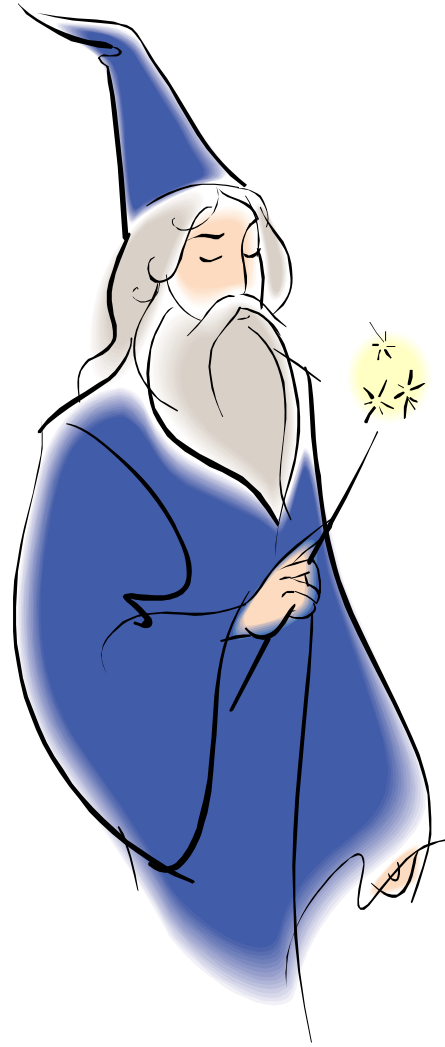

In 2007 we have 210 probation officers and about 8000 probationers

From the 1st of January 2008, the probation system will change - probation moves from Court system to Prison system

How could I induce you to steal this wallet so that you will not feel that you are doing anything wrong?

**A lizard's track over a stone leaves a trace
Even if we don't see it
Every thought which comes and goes,
Remains somewhere....**

trace")
